RESPOND TO DEFENDANTS REQUEST FOR ENLARGEMENT OF TIME

Per

MARY E. D'ANDREA, CLERK

Deputy Clerk

Plaintiff, hereby request this Court - not to grant the request for enlargement of time for defendants to respond to plaintiff motion for partial summary judgment. In support of this motion, plaintiff states as follows:

1. Plaintiff filed a motion for partial summary judgment on June 5, 2002. Plaintiff served the document upon the defendants counsel on June 3, 2002.

2. Under Fed.R.Civ.P. 6 and Local Rule 7.6., defendants response to plaintiff's motion for partial summary judgment is due to be filed and served on June 21, 2002.

3. Defendants counselor request a enlargement of time, due to the lack of his present. I am sure if Mr.G.T.Mosley was sick with the flu, there would be another counselor taking over his case load. Now the Defendants counselor, wish this court to grant his motion for enlargement of time, due to his lack of present.

4. Defendants counselors, have clerks, paralegals, and other attorneys working on this case. Plaintiff, don't see any reason why this court should grant their motion for enlargement of time, because one attorney is out of town. The reasons that defendants counselor gives, dose not meet qualifications nor is it grounds for this case to be postponed any longer then what it already has. Therefor Plaintiff request that, Defendants counselor motion for enlargement of time be denied with prejudice.
